Dedication

I AM

I am who I am;
I lived before Abraham.
My thoughts are not yours to take;
My ways you cannot make.
I'm called Creator of the universe,
Alpha and Omega; Keeper of the earth.
For I am The Holy One,
My limit is beyond infinity's run.
I am the Light of the world; I created darkness too,
The Way, the Truth, the Life, the only hope for you.
My law shall stand through eternity and beyond
the farthest star;
I am unlimited in time, place, power, and
knowledge from afar.
I am the Messiah, Monarch, Ruler, and King;
No one was before Me; I am the Mainspring.
I am here, there, everywhere, the high command,
I rule the sea, sky, sun, moon, stars, and land.
I lay down My life that I may take it again;
Only I have the power of death and life herein.
I am Almighty God to the nth degree;
I am who I am; I am He.

I honestly don't know how this book would have been completed without the help of my son, Tim. I called him on every computer problem or question I had, be it big or small. He was always available either after work or on a rare day off. May God bless him for his expertise and patience!

Joy (my wife) graciously gave me all the time and privacy I needed and yet was always there when I needed advice or an opinion on a moment's notice. God has blessed her with common sense, wisdom and logic.

How Could God Not Exist?

A question that is often asked, is “Does God exist?” The real question should be “How could God not exist”?

The heavens declare the glory of God; And the firmament shows His handiwork.

—Ps. 19:1

For every house is built by someone, but He who built all things is God.

—Heb. 3:4

God has promised to prove His existence to every person who will genuinely seek Him.

The Lord is near to all who call upon Him.

—Ps. 145:18

Draw near to God and He will draw near to you.

—James 4:8

God accomplishes this promise every day! One of God's many methods of accomplishment is in the book He wrote. A best seller! We call His book the Bible. The Bible is also referred to as "the Word of God." God has much to say about Himself in His book and the book you are now reading relies heavily on hundreds of Scriptures from the Bible, focusing on who God is. The more you know about God, the more you know about yourself. The more you know about yourself, the more you understand your need for God.

We don't have the answers to many of life's questions, but I do know who does—the only true and wise God of the Bible. He knows! He can be trusted! God loves us and He has a plan for us that is fantastically glorious. That plan will exist for all of eternity. However, right now your best, most intelligent guess of what God's eternity might be is...well, less likely than a garden full of earth worms putting their heads together and building a life-sustaining rocket ship that is capable of flying to all the stars in the universe.

God is saying to all believers, stretch your imaginations to the best of what you think heaven could be, but you won't even be close. Personally, I think we will be able to travel anywhere in the universe, visit billions of planets, and travel at the speed of instant thought (the speed of light would be too

slow!). God's answer to me—you are thinking like a worm. What I have planned is, well...you are just going to have to wait and see, for...

“Eye has not seen, nor ear heard, nor have entered into the heart of man the things which God has prepared for those who love Him.”

—1 Cor. 2:9

In His book (the Bible) God is speaking to all people of all races in all times. The answers we really need are there.

“Seek and you will find; knock and it will be opened to you.”

—Luke 7:9-10

“Declaring the end from the beginning, and from ancient times things that are not yet done.”

—Isa. 46:10

The Bible is the most popular book ever sold (and printed) in the world, year after year. It is the most published book of all time, whether religious or secular. It is so far ahead of all other books, there is no contest, yet it is never included on the best seller lists. (I wonder why?) No book ever has or ever will compare to the Bible. Why? Because the Bible is the inspired Word of the one and only true God. God always tells the truth. His prophesies are, and always will be, 100% correct. God is never wrong. Are you willing to listen? It is a choice, you know!
