ACKNOWLEDGMENTS

To God, my heavenly Father,
Thank You for the opportunity to write this book. I am sincerely grateful that You gave me these novel ideas that have developed into this book of poetry that encourages the reader to seek, praise, honor, thank, and worship You, for You are God.

Many marvelous people have supported me in so many ways:

Doctor Lester W. Taylor, Jr., my pastor. You have blessed so many people through your spiritual gifts of preaching and teaching the Word of God. You cannot imagine how much you have impacted my life. This book could not have been written without your leadership and training in the Word of God. May God continue to use you to build His heavenly treasures.

I thank my family members, who were there for me. I appreciate your support. Special thanks to Malik for choosing the cover. Great job.

ACKNOWLEDGMENTS

Special thanks to Jeanette Dotson and Shelia Howard, who liked my poetry and shared it with their friends, families, and loved ones.

I am humbly grateful to Yvonne Lee, my sister in Christ, for promoting my poetry over the years and for all those genuine compliments and endless encouragements. I praise God for you.

Debra Bates, my cousin, Birmingham, Alabama. I praise and thank God for your yearly words of support at our family reunions. I am honored to know that my poetry has blessed someone else.

A special shout out to my cousin, Moses Driver, II, Memphis, Tennessee. I am grateful to know that the poetry provided you with the encouragement, support, and inspiration that you needed during your wife's illness.

Thanks to Ardiga Red Cloud, who found profound solace and universal wisdom in such a sweet way in the poems that touched her even though she left the church years ago.

My church family. Thanks to all of you for supporting and encouraging me throughout the years. Praise God for all of you.

Redemption Press. Special thanks to Athena Dean for the sacrifice that she made in order to publish this book. I know that my Redeemer has worked through her for the fulfillment of this goal. I am forever grateful and thank God for her. Thanks to Jessica Gambill, Tamara Chadwick, and the entire staff for their hard work, dedication, and contributions in finalizing this book. May God bless and keep all of you.

BE ENCOURAGED AND TRUST GOD

This section of poetry is written to inform, encourage, and spur you on no matter what difficulties, illnesses, trials, or tribulations you may be experiencing.

A good friend of mine was going through a devastating depression and contacted me for counseling. After several sessions with her, the Holy Spirit provided me with the ideas for writing the following poems: “Be Encouraged,” “You Are Going to Make It,” and “Trust God.” As I share this poetry with you, I admonish you to remember Peter, who was beaten, jailed, and often threatened. He knew that his fellow Christians were suffering so he wrote them a letter (1 Peter 5:12) to offer them encouragement about the things they were experiencing.

There are times in our lives when we feel like we cannot trust anyone because we have been deceived by our friends, family members, and other people. However, it is important to know that we can trust God to help us make important decisions. He knows what is best for us. Therefore, “Trust in the Lord with all your heart;

BE ENCOURAGED AND TRUST GOD

do not depend on your own understanding. Seek His will in all you do and He will show you which path to take” (Prov. 3:5). God is a better judge of what we need than we are. We need to trust Him completely in every choice we make.

Continue to be encouraged in every area of your life. Do not hesitate to trust God for deliverance, healing, and liberation. “Trust in the Lord and do well. Then you will live safely in the land and prosper” (Ps. 37:3).

YOU ARE GOING TO MAKE IT

You are going to make it in spite of what you are
going through.

You are going to make it because God is there with
you.

He is able to heal, deliver, and set you free.
So lean, depend on him, trust Him completely.
You are going to make it.

He knows what you are experiencing.

He knows your agony and pain.

He knows that the enemy is trying to drive
you insane.

He will never leave or forsake you.

He is your comforter and guide.

There is no need for you to fear.

He is right there by your side.

And you are going to make it.

You are going to make it.

You must trust God—don't doubt.

From that sadness and depression

He will bring you out.

BE ENCOURAGED AND TRUST GOD

God knows what you are experiencing.
He has heard your sorrowful cry.
He will deliver you out of your misery for He is nigh.
And you are going to make it.

You are going to make it.
God will comfort you and dry your tears.
He will bring you out of darkness and remove all your
fears.
He will give you courage to go on and your battles He
will fight.
He will set you free with His power and His might.
He will be with you no matter where you have trod.
He is your Comforter, your Savior, your Lord and
your God.
And you are going to make it.

BE PATIENT AND WAIT ON GOD

Be patient and wait on God. Just be patient and wait.
Don't you worry. Don't faint, don't hesitate.
Just be patient and wait because He will be right there.
He will answer your prayer.
Even though your way may seem dark and dim.
Just be patient and wait on Him.

You have been praying for your son for a long, long
time,
Praying that he would be delivered from crack.
No matter how much you have prayed for his deliver-
ance, he just keeps going back.
You have wondered why God has not answered you.
You felt like giving up and doubting God. You don't
know what to do.
Just keep on praying. You must trust God's Word.
Even though your prayers it seems like God
hasn't heard.
Don't give up, don't fret, don't you cry.
He will answer your prayer by and by.
He said that He would avenge His elect that cry day
and night.
Oh, yes, He will turn all wrong into right.
If you just be patient and wait on Him.

BE ENCOURAGED AND TRUST GOD

You have been praying for your daughter's healing for
a long, long time.

It seems like God won't answer or pay you any mind.

You know God said He is faithful and true.

But it seems like He is not listening to you.

You want to keep on trusting God but doubt is there.

You are wondering why He won't answer your prayer.

God has heard you. He has seen you cry.

He has seen your tears and heard you sigh.

He said that He would avenge His elect who cry like
you do.

Oh, yes, He heals and delivers too.

Just trust Him and He'll bring you through.

Be patient and wait on Him.

BE ENCOURAGED

Be encouraged and trust God
on every pathway that you shall trod.
Don't let your problems discourage you.
Trust in God's power to bring you through all the
difficulties you now face.
He will deliver you with His mercy and grace.

He will guide and direct you out of agony and despair.
When you call on Him,
He will hear and answer your prayer.
Be encouraged and know that God is your present
help in time of trouble.
Anything that the enemy has stolen from you,
He is able to restore it double.

Be encouraged and know that
God hears your cry in the middle of the night.
He will comfort and deliver you with His mighty,
glorious light.
Be encouraged and know that God will never leave or
forsake you.
From all of your suffering and heartaches
He is able to bring you through.

BE ENCOURAGED AND TRUST GOD

Be encouraged and trust God.
He will never leave or forsake you.
Keep your faith and don't waiver—be persistent and
endure.

All the afflictions in your life He will take away.
When you seek His face, humble yourself, and pray.

Be encouraged and He will guide and direct
your pathway.
